2012-2013 Household Information Questionnaire - Independent

Your application has been selected for review in a process called “Verification.” In this process, the Student Financial Aid Office must compare information from your Free Application for Federal Student Aid (FAFSA) with copies of your and your spouse’s 2011 income information and/or other financial documents. Section 483 of the Higher Education Act of 1965, as amended, gives us the authority to ask for this information before awarding and/or disbursing federal aid. We will compare the submitted documents to your FAFSA information. If there are any discrepancies, we may request further clarification. If corrections are needed, we will make them on your behalf. **It is important to get all of the requested documents in as soon as possible, preferably by May 1, 2012, to insure your aid package is/will be accurate.**

No federal, state, or institutional financial aid will be awarded/and or disbursed to you until the verification process is complete.

**STUDENT AND SPOUSE MUST SIGN THIS FORM.**
