August 24, 2020 (16-week courses or first eight weeks)
October 19, 2020 (Second 8-week courses ONLY)

Spring 2021 Deadline Dates

Instructions to MU Students:

You must be in good academic standing at MU and have no holds on your student account from the MU Cashiers Office or the MU Registrar at the time of enrollment. You must also be enrolled in at least 6 credit hours of courses at MU for the semester. Exceptions will be considered on a case-by-case basis. Your courses at the Host Institution must be required for your degree program and must be approved by your MU academic dean or department chair prior to enrollment.

Please ensure that the Consortium Agreement, the Financial Aid Agreement, and the Agreement by Host Institution documents are completed and submitted to the MU Financial Aid Office by the deadline dates for the fall 2020 or spring 2021 semester. Late or incomplete documents will not be accepted.

Your financial aid will first be applied to your balance at MU. MU institutional grants and scholarships will only cover MU tuition and fee expenses. It is your responsibility to use any remaining financial aid funds and/or your own financial resources to pay any charges incurred at your Host Institution. If you change courses or withdraw from the Host Institution, you must notify the MU Financial Aid Office immediately. The MU Financial Aid Office is not responsible for charges incurred at the host institution.

Instructions to MU Officials:

By signing the Consortium Agreement, the academic dean, department chair, or academic adviser certifies that the student is in good academic standing for the fall 2020 or spring 2021 semester, has permission to enroll in courses at the Host Institution, and that said courses are required for the student's degree.

The MU Registrar's Office will report the student's enrollment to the National Student Loan Data System (NSLDS). The MU Registrar's Office will maintain Title IV record keeping and reporting requirements.

MU Consortium Agreement

In order to receive Federal student aid as a visiting student for the Fall 2020 or Spring 2021 semester, I understand the following:

- A processed 2020-2021 Free Application for Federal Student Aid (FAFSA) must be on file at MU. If I have not filed a FAFSA or my information is not on file at MU, I understand processing of my financial aid may take four to eight weeks to complete.
- All requested documentation must be submitted. Refer to your myZou Student Center "To Do List" for a list of requested documentation. This includes verification documents and student loan promissory notes.
- I must be enrolled in at least 6 credit hours of MU courses for the semester in addition to the credit hours taken at the Host Institution to receive Federal Student Aid. I also understand that I cannot have any holds by the MU Cashiers Office or the MU Registrar at the time of submission of the Consortium Agreement to the MU Financial Aid Office.
- The Consortium Agreement must be completed and signed by all parties by deadlines listed for the appropriate semester. Consortium Agreements received after these dates will not be accepted.
- Only Federal student aid will be awarded to me under this agreement for courses taken at the Host Institution. My institutional MU grant and scholarship awards will be calculated on the number of credit hours taken at MU for the semester. My Federal Pell Grant award will be determined based on my enrollment as of deadline dates for the appropriate semester.
- I must immediately inform the MU Financial Aid Office of any change to my fall 2020 and/or spring 2021 semester enrollment at MU or at the Host Institution (course withdrawals or program cancellation).
- I understand failure to notify the MU Financial Aid Office of any change to my enrollment for the term under which this agreement applies at MU or the host institution may result in denial of future Consortium Agreements.
- I agree to provide the University of Missouri, Office of Admissions with my transcript for the term under which this agreement applies and that a hold will be placed on my account holding aid for future semesters. **I understand that to provide my transcript to the office of Admissions may result in adjustments to my financial aid and charges may be added to my account.**
- Completion of this consortium agreement does not guarantee enrollment at the Host Institution. I understand my financial aid will first be credited to my MU Cashiers Office account and it is my responsibility to enroll and make payment in full to the Host Institution from any remaining funds after my account balance with MU has been satisfied. I also understand I am responsible for any charges incurred at the Host Institution.

By signing below, I acknowledge I have read and understand my responsibilities under this Consortium Agreement:
