## 2017-2018 Request for Independent Status

Occasionally, due to extraordinary circumstances, students cannot obtain parental information. If you cannot provide this for some unusual reason, you may petition for a waiver of federal regulations requiring parental information. In your petition you should answer each of the following items:

1. Identify the location of both your parents.
2. Describe the last time you had contact with each of your parents – when, where, and the nature of the contact.
3. Explain why you cannot obtain parental information.
4. Provide statements from two responsible adults who are aware of your situation and can corroborate the facts you present. Examples of such persons would include clergy, social workers or other social service personnel, court officials (or copies of court documents), teachers or high school counselors. At least one statement must be from someone who is not a relative or friend, and the letter should be on company letterhead.
